Mixed Ages Class: This is the essential Music Together class, one that a child can attend from birth through kindergarten age--and through all nine song collections. This basic class follows the recommendations of child development researchers by grouping children of a variety of ages in one class. This approach fosters natural, family-style learning where younger children enjoy watching and imitating older ones, older children learn by leading younger ones, and adults are happy because the children in the family can go to class together. Each child participates at his or her own developmental level in singing, moving, chanting, listening, observing, or exploring musical instruments. We welcome the whole family to join in this important family music experience. One or more adult caregivers--parents, grandparents, nanny--can bring the child(ren) to class.

****Pajamas Class:** For children birth through 6. A mixed age class with a twist! After a day of work and play, have dinner, put on your jammies and then come and JAM. The whole family is welcome to this joyful music experience.
